Theological Big Idea: Jesus is The New Moses who will take His people into the New Exodus

John 5:5-9

Big Sermon Idea: All Christians should be willing to trust Jesus and not people to provide the healing that they need in their lives

- I. Jesus Knows Exactly Where You are in Your Life
- II. Jesus Knows Exactly What You need in Your Life
- III. Jesus can heal You in every area of Life.

John 5:1-9 (NASB)

1 After these things there was a feast of the Jews, and Jesus went up to Jerusalem. 2 Now in Jerusalem, by the Sheep Gate, there is a pool which in Hebrew is called Bethesda, having five porticoes. 3 In these porticoes lay a multitude of those who were sick, blind, limping, or paralyzed.

4 for an angel of the Lord went down at certain seasons into the pool and stirred up the water; whoever then first, after the stirring up of the water, stepped in was made well from whatever disease with which he was afflicted.

5 Now a man was there who had been ill for thirty-eight years. 6 Jesus, upon seeing this man lying there and knowing that he had already been in that condition for a long time, *said to him, "Do you want to get well?"

7 The sick man answered Him, "Sir, I have no man to put me into the pool when the water is stirred up, but while I am coming, another steps down before me." 8 Jesus *said to him, "Get up, pick up your pallet and walk."

9 Immediately the man became well, and picked up his pallet and began to walk. Now it was a Sabbath on that day.
