Who I Am HE IS RISEN

Seldom can we reflect on the crucifixion of Christ without remembering the heartache of such a brutal event. From the piercing of his side to the unconscionable abuse, His treatment by His critics was clearly the worst of its kind. Nevertheless, what a blessing it was for mankind that He chose to give His life! For this reason, we celebrate with several salient points in mind.

We recognize that in our daily walk, we may often miss the mark; but, because of his sacrifice, He has made a way for us to enjoy a personal relationship with Him that makes His supernatural strength accessible! True, we are imperfect; but, in Christ, we can do all things - which includes living a life that is pleasing to Him.

On our darkest days, we may feel that no one can truly understand our pain. Nerveless, He assured us that He understands and has experienced the challenges of the flesh firsthand. Though He paid the highest price, we've been given the greatest rewards. May we forever be grateful for the priceless gift as we celebrate His miraculous Resurrection!

Rooted & Grounded and Called to Serve

The apostle Paul tells us in Ephesians 2:10 that 'we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do'. During weeks six and seven of the 10-week Rooted and Grounded pilot, L.I.F.E. Groups took to the community to engage in those good works. L.I.F.E., which stands for Living in Fellowship Every Day, exemplifies Jesus' call for us to serve others. We are especially thankful to The Beacon, Loaves & Fishes, Magnificat Houses, Santa Maria Hostel, The Star of Hope and our own Family of Hope Food Pantry for allowing us to tangibly share God's love with others. We look forward to continuing to support these organizations and greatly anticipate what God has in store for our church-wide Rooted and Grounded kick-off this month!
