HOPE 365

In a world filled with challenges, a simple yet powerful commitment will make waves – **HOPE 365**. This giving initiative encourages you to contribute $1 dollar per day, with the promise of creating a lasting impact on lives locally, nationally and internationally.

Local Impact: Nurturing Hope at Home

Within our communities, the need for support is substantial. HOPE 365 directs its focus towards addressing pressing issues such as hunger, homelessness and education disparities.

National Outreach: Uniting for a Better Tomorrow

Beyond local efforts, HOPE 365 extends its reach nationally, recognizing that challenges persist on a broader scale. Disaster relief, healthcare initiatives and educational support are some of the areas where this commitment strives to make a difference.

Global Transformation: Bridging Borders for Good

The ripple effect of HOPE 365 doesn't stop at national borders; it extends to the global stage. The initiative recognizes that our interconnected world demands collective action to address pressing global challenges.

The Transformative Power of A Dollar: A Symbol of Collective Compassion

HOPE 365 is more than a financial commitment; it is a symbol of collective compassion and shared responsibility. By harnessing the power of individual contributions, this initiative proves that even a modest daily commitment can lead to profound and lasting change.

As each dollar adds up, it becomes a beacon of hope for those facing adversity, both near and far. Through your dedication to making a difference, HOPE 365 is a reminder that small, consistent efforts can ignite transformative change, fostering a world where hope prevails 365 days a year.

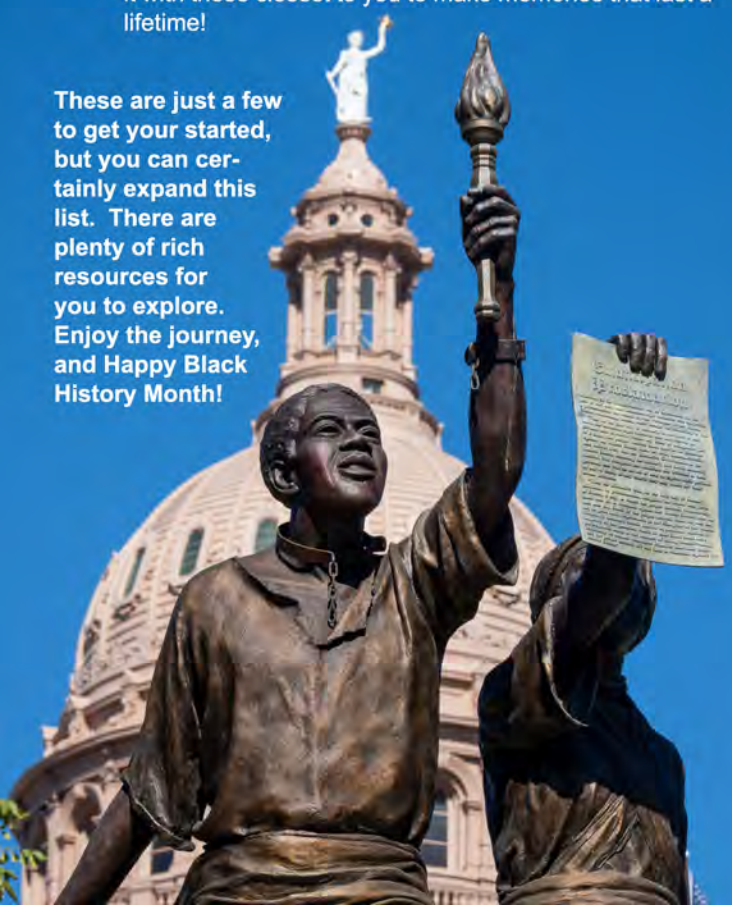
BLACK HISTORY MONTH

Though we choose to celebrate every day of the year, we can't help be excited when February comes around again! If you're looking for ways to make this year even more meaningful, try these with family, friends and the ones you love!

1. Support (continually) Black-owned businesses. Whether you choose from our local neighborhood or online providers, invest in your community directly.
2. Take time to learn about noteworthy Black figures and their contributions locally and abroad.
3. Purchase, read, and share books by Black authors that you personally enjoy.
4. Identify Black females that are change agents in the world today. Support them and share what you've learned with those around you.
5. Participate in online events that enhance your understanding and awareness of Black culture. Consider the Smithsonian's National Museum of African American History and Culture throughout the month of February for special conversations on African American achievement.
6. Attend black History Month celebrations in-person and/or on-line. This will help you cover a wealth of insights and experiences in ways that are enriching and cost-effective.
7. Take time to write about history in the making and share it with those closest to you to make memories that last a lifetime!

These are just a few to get your started, but you can certainly expand this list. There are plenty of rich resources for you to explore. Enjoy the journey, and Happy Black History Month!



BEING CHURCH BY BEING SALT & LIGHT

Jesus said believers are the salt of the earth and the light of the world. But maybe you've wondered what this really means.

When traveling from towns like Cana to cities like Jerusalem, Jesus saw and met the needs of people—so much so that huge crowds would follow Him everywhere He went! This is the essence of Jesus' call to be salt and light—helping those in need.

As you go about your daily life, are you taking time to help others? If this interests you, but you're wondering how and where to make a difference, here are two ways:

- First, discover the spiritual gifts God has given you by attending Discipleship Through Church Discovery 301. During this interactive session, you will learn how God has specifically SHAPED you to serve others.
- Second, attend the Salt & Light Ministry Fair to learn about volunteer opportunities in the community.

Jesus met humankind's ultimate need at Calvary's Hill; and He commissioned us as His ambassadors—to be salt & light in the world. There are so many people and places that need help and hope.

MONTHLY RHYTHM HIGHLIGHT: PRAYER

This month's Rhythm Highlight focuses on PRAYER. "While it's true that prayer is a way for us to speak to God, it actually has a much more profound purpose…when you pray, you step into God's kingdom – His world, the place where God rules without pushback."

"The most amazing thing about prayer is we are communicating directly to the Lord Almighty, who is the final authority over everything." Since God is omniscient (all knowing) we don't even need to speak out loud. He can hear our thoughts. The death and resurrection of Jesus reconciled us back to God so that we can enjoy an intimate relationship with him.

"We learn from Jesus' prayer life that we should pray PRIVATELY, REGULARLY, and GENUINELY."

Consider recording your prayers in a journal and using this acronym to structure your prayers:

- **P** **Praise God for who He is and all the great things He has done.**
- **R** **Repent of your sins. Abandon your own way and surrender to His will for your life.**
- **A** **Ask God to supply all your needs.**
- **Y** **Yield to God. Sit in silence and listen for His still, quiet voice.**
