ROOTED & GROUNDED
GREAT SEED - GOOD SOIL - MUCH FRUIT

ROOTED AND GROUNDED: THE GIFT OF REPENTANCE

Repentance is not just about saying we're sorry—it's about turning our hearts back to God. When we repent, we let go of sin and step into His grace, where forgiveness and freedom are waiting.

Acts 3:19 reminds us, "Repent…that times of refreshing may come from the Lord." Repentance is God's invitation to renewal. It keeps us rooted in Christ's mercy and grounded in His love, reminding us that His Spirit is the one who changes us.

Each time we confess and turn back, we grow closer to Him. Repentance isn't a burden; it's a blessing. It is the doorway to deeper intimacy with God and a life that bears His fruit.

Lord, we thank You for the gift of repentance. Teach us to turn quickly from sin and run into Your arms of mercy. Keep us rooted in Your grace and grounded in Your love, so that our lives reflect the beauty of Christ. May repentance bring renewal in us and fruitfulness through us. In Jesus' name, Amen.

PASTOR D.Z. COFIELD APPRECIATION MONTH

October is Pastor Appreciation Month! The concept of Pastor Appreciation Day stems from early Christianity, as evidenced by the Apostle Paul writing to the early Christian congregations to respect their leaders. In 1 Timothy 5:17, Paul said that those who preach and teach God's Word are worthy of "double honor." Our Senior Pastor, Dr. D.Z. Cofield is certainly a preacher who deserves double honor.

As we move forward with intentionality in implementing and sustaining our discipleship culture, there has been a groundswell of enthusiasm here at Good Hope surrounding why we love and appreciate our pastor's leadership. What better time than Pastor Appreciation Month to tell our Pastor Cofield the top ten reasons why we love and appreciate him!

THE TOP TEN REASONS WHY WE LOVE AND APPRECIATE OUR PASTOR

- He is unwavering in his commitment to the vision God has given him.
- He is a dynamic teacher-preacher.
- He is kind-hearted, compassionate and approachable.
- His love for children and youth is evident in everything he does.
- He is passionate about making disciples.
- He shows love and support for his members.
- He is intellectually gifted.
- He is a dynamic, visionary leader.
- He leads with strength and wisdom.
- He makes the main thing the only thing.

GIVE TO PASTOR

Let's use Pastor Appreciation Month to tell Pastor Cofield how much we respect, love and appreciate him. Since October is Pastor Appreciation Month, be sure to take some time this month to thank him for being an amazing pastor. He has made a significant difference at Good Hope, in our families and throughout the world. Use the accompanying QR code if you would like to give Pastor Cofield a monetary gift to commemorate Pastor Appreciation Day.

Breast CANCER AWARENESS MONTH

This month, we celebrate not only the milestones that have been made in efforts to eliminate breast cancer, but in the many lives that have been saved and the ones whose spirits remain with us as we continue to forge ahead. Raising awareness of breast cancer and its prevention is still a meaningful priority, and we're excited about this year's national theme: "What Will You Do with Your Now?"

The National Breast Cancer Foundation is teaming up with people everywhere to educate and empower women across the nation. This includes information about free mammograms, learning the steps to practice early detection (at no cost), how to adopt a healthy lifestyle that lowers risks of breast cancer, accessing free healthy living cookbooks and resources, and so much more!

Because breast cancer awareness is not a single, simple issue, leaders are working diligently to strengthen networks to benefit those who are impacted. This also includes survivorship support that extends beyond the end of treatment and providing information on the 10 screenings that all women should know.

We're pleased to inform you that breast cancer death rates in the United States have dropped by 44% since 1989, and we believe that those numbers can increase through our collective impact. If you'd like to learn additional information and get more involved, visit www.nationalbreastcancer.org, today!

WHAT IS IT TO BE A CHURCH USHER?

Being a church usher is more than simply greeting people or showing them to a seat. It is a ministry of presence, hospitality, and service. Ushers are often the very first representatives of Christ that people encounter when they walk through the doors. Their smile, their warmth, and their attentiveness can set the tone for someone's entire worship experience.

To be an usher is to serve with both heart and humility. It requires a love for God and a genuine love for people. Ushers stand as extensions of the pastor's hand and the church body, ensuring that every worshipper — whether a first-time visitor or a long-standing member — feels welcomed, cared for, and respected.

It is also a calling of order and stewardship. Ushers help maintain reverence during the service, guide the flow of worship, assist in the offering, and respond to the needs of the congregation. In doing so, they help remove distractions and create an atmosphere where people can focus on God.

But above all, being a church usher is a call to serve. It is servant leadership in action — not for recognition or applause, but as an offering to the Lord. A true usher ministers through kindness, patience, and readiness, reflecting the love of Christ in every interaction.

In short, ushers are not just "doorkeepers" but gatekeepers of God's house, helping to prepare hearts to encounter His presence.
